

Wisconsin Daylily Society, Inc

Newsletter Supplement, February, 2010

Some important information you need to have before the next regularly scheduled newsletter.

FEBRUARY MEETING DATE

On **February 20th at 1:00 p.m.** Bob Scott of Bob Scott's Nursery, Yukon, Oklahoma, will be our featured speaker. His nursery, home to the Topguns series, features many, many dormant cultivars that Bob has introduced. H. 'Topguns Lola Scott' and 'Topguns Sara Burton' have grown very well in Madison. Listed on his website are gardens in each Region that are growing the 'Topguns' introductions. Region 2 has more than even his own Region 11.

Please notice the new location for this and future meetings. You will find us at **Savannah Oaks School** on Lacy Rd in Fitchburg. The school is located between Seminole Hwy and Fish Hatchery Rd on Lacy Rd (closer to Seminole Hwy).

Before Bob's presentation you will be able to view all the photos entered in our Annual Photo Contest – and vote for your favorites. If you haven't sent your entries to Conrad yet, you still have until February 1st to do so. So far, Conrad has 30 pictures and would like at least 10 more. Can we count on yours?

WISCONSIN HYBRIDIZER GROUP

Wisconsin Hybridizer Group will hold their next meeting on March 27th. It's from 10-4 at the West Ag Station. Anyone wishing to attend, please contact Pat Sturdevant at patstur1@hotmail.com or (608) 244-1551, by March 13th, as I need a head count to help set up the room. If anyone has a topic for discussion, please contact me by email or phone! Any suggestions are greatly appreciated! Happy seed s'tarting!

CHANGING OF THE GUARD

From Pat S.: Terri & I have decided to take a break from the hospitality committee. Genni Kleckner has stepped forward to help out. She'd like a few good people who could help with goodies, setting up and cleaning up at the monthly meetings. We need a total of about four people so duties can rotate. If this is something you would like to do, contact Genni at kleckner@countrysspeed.com or 608-739-916

It has been a pleasure being on the Hospitality Committee. We have met so many wonderful people. I think we have the best group of people of any club in the area! Terri & I are not leaving the group, just taking a break. See you at the next meeting!

From Terri M.K.: I originally took on this responsibility solo but it is obvious now that I could not have done it without Pat's able support and assistance. This is a lot for one person, so I hope a few of you will pitch in and keep this a fun activity for Genni. I will likely continue to bake a cake or cookies for meetings as time allows. It has been a pleasure and source of pride for me to have served in this capacity. We really do have the nicest folks anyone could hope to know!

GARDEN EXPO

Garden Expo will soon be here - February 12, 13, & 14. What a great opportunity to find a Valentine for that someone special! Chris Zeltner tells me that, as usual, you have come forward to staff the WDS booth throughout the weekend. Thank you. If you won't be spending time at the booth, do stop by to say "Hello" and view the Photo Contest winners from last year, enlarged and framed. They are always a hit with visitors.

WE'VE GOT A GREAT WEBSITE!

Remember that you can always check for meeting times and places on our website: www.wisdaylilysoc.org Once the site is open, click on 'Calendar' to bring up all scheduled dates. If you click on the name of the speaker's garden, you can then bring up their website to see all of the flowers they are so proud of. Many thanks to Mary Wrzesinski, our Webmaster!!
